

2017 Day Camp and Summer Adventure Club Scholarship Application

Positive Energy Outdoors has a limited scholarship fund to help offset the cost of our summer Day Camp and summer Adventure Club Programs. Summer Adventure Club is a new program housed at Lowell Elementary School which provides outdoor education experiences and nature play in Lowell's school forest. Summer Adventure Club also includes a weekly field trip to PEO's site for kayaking, swimming, SUP, climbing and meeting the sled dogs and draft horses and/or other sites in Duluth.

Thank you to the **Head of the Lakes United Way** for its continued generous support of our scholarship fund.

Day Camp and Summer Adventure Club Scholarship funds are available for up to \$150/child/session (Day Camps) and up to \$100/child/week (Summer Adventure Club). Families needing additional financial support should let us know. The amount awarded depends on available funds and number of applicants, and are reviewed on a first come, first served basis.
