

## 2017 Day Camp Scholarship Application

Positive Energy Outdoors has a limited scholarship fund to help offset the cost of our summer day camp program. Thank you to the **Head of the Lakes United Way** for its continued generous support of our scholarship fund. Day Camp Scholarship funds are available for up to half of the camp fees (\$150/family). Families needing additional financial support should let us know--we do not want to turn away any youth to our camps! The amount awarded depends on available funds and number of applicants, and are reviewed on a first come, first served basis.

Scholarship recipients should submit a thank you letter to be shared with camp scholarship donors.
